27 September 2017

Dear Parents/Carers;

Learning in Year 2 next week!

Here's some information about what your child will be working on in class next week, including the lesson details for each subject area. Children will take part in a whole-class teaching session, followed by a carefully planned activity to consolidate their learning. Some children will revisit this learning as part of a small, focussed support group during the week to make sure their learning is secure. As well, your child will have opportunities to read with an adult at different times across the week, both individually and as part of a guided reading group.

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on Twitter so you can see what we're up to! Some children will be working out of class, with buddies too.

Next Friday (6th October) is our annual:
'Harvest Helping Hands' **Donation Coffee morning (9.30am -10.30am).**
Bring your donations and pick up a warm drink and tasty treat. Children will be baking all week.

Junk!

As part of our creative Guided Reading sessions the children will be designing and building various models. You could help us by sending in:

- Cardboard boxes
- Tin foil
- Clean yoghurt pots
- Egg boxes
- Plastic tubes

Family Learning Together

Family Learning Together

In preparation for our Harvest Helping Hands Coffee Morning, why not bake a sweet treat with your child. I've posted lots of recipes over the past year on my Twitter account if you need some inspiration!

Don't forget to tweet a picture and tag us! ☺

Hope this has been helpful; look out for tweets from us!

Yours sincerely,

Alastair Solomon-Ayeh
KS1 Co-Leader, Year 2 Leader
