Dear Parents/Carers

**Hello and Welcome Back from Me!**

Hello! I would like to formally introduce myself, as the new PSA at Thames View Infants! What is a PSA? I hear you ask! PSA stands for Parent Support Advisor. My role is to support you as Parents with any difficulties or worries you have with you children which is preventing them from accessing their education consistently, and to their full potential. This could be difficulties such as bedtime and morning routines, which are preventing your child from arriving to school on time; implementing rules and boundaries at home so children learn there are limits and consequences to their actions; or language barriers and understanding of what is being asked, preventing us from completing homework with our children to further their learning. I am also running a parenting group which will provides strategies for managing behaviour, learning new skills and causes of behaviour problems. It will also allow Parents to discuss any difficulties they experience and tailor the support to their needs – information on this will follow.

The examples above are just an idea of the things I can support you with. Remember a problem shared is a problem halved! I have an open door policy and can be found in the playgrounds most mornings and afternoons. I will be based in Family Room and can be contacted on 02082704317.

I look forward to meeting you all as the year progresses!

Yours Sincerely,

**Emma Cooper**
