Dear Parents

Parent/Carer Cycle Training Course

Cycling fun for parents/Carers! Are you interested? This Thursday morning we will be hosting a special Coffee Morning. As well as doing some hands-on gardening outside our contacts at Sustrans will also be popping in to discuss a training course that they are going to be holding for parents/carers after the half-term break.

This will be a **FREE course for Parents / Carers** who have never cycled before or have not cycled in years. This course is open to all – complete beginners, intermediates and experienced riders. Sustrans will provide Parents/Carers who are interested with a bike for each lesson and there will be an opportunity (although no obligation) to buy the bike off of Sustrans for £60 upon completing the course. If you think that this might appeal to you, please come along to our coffee morning on **19th October 2017** where staff will be available to answer any questions that you might have and give you more information.

If you decide that you would like to go on this Parents/Carers Cycle Course, you must apply via **ParentMail**. This application form will remain available for completion up until 20th October 2017. There are a maximum of ten places available on this course and so, if you're interested, you must complete the form and apply asap – we will allocate places on a first come, first served basis only.

I look forward to seeing you all there!

Best Wishes

Emmajane Cooper
