

Thames View Infants has a board of governors who provide oversight, provide strategic direction, ensure sound financial governance and hold the headteacher and school staff to account. To achieve this they also have two subcommittees which operate under agreed terms of reference. Thames View Infants also has a number of 'members' who appoint some governors and provide safeguards around financial scrutiny.

The governors are the trustees of Thames View Infants.

The chair of governors chairs general meetings of members.

The chair of governors is Christine Chambers.

The chair of the FPP committee is Jamie Joyes

The chair of the CIPM committee is Christine Chambers.

The Board of Governors of Thames View Infants (Trustees)

Madeleine Knowles			1/9/12					
Christine Chambers		Ex-officio						
Other Members who have served during 2014-15 academic year								

The 2015 Academies Financial Handbook requires the following information to be published: 2.5 Transparency

The trust must be transparent with its governance arrangements. 2.5.1

Publishing information about governance structures 2.5.2

In the interests of transparency, an academy trust must publish on its website up-to-date details of its governance arrangements in a readily accessible format. This must include:

- the structure and remit of the members, board of trustees, its committees and local governing bodies, and the full names of the chair of each (where applicable)
- for each member who has served at any point over the past 12 months, their full names, date of appointment, date they stepped down (where applicable), and relevant business and pecuniary interests including governance roles in other educational institutions
- for each trustee and local governor who has served at any point over the past 12 months, their full names, date of appointment, term of office, date they stepped down (where applicable), who appointed them (in accordance with the trust's articles), and relevant business and pecuniary interests including governance roles in other educational institutions
- for each trustee their attendance records at board and committee meetings over the last academic year
- for each local governor their attendance record at local governing body meetings over the last academic year

Although this might appear clear, it is somewhat equivocal, so the following has been used as an interpretation:

Current governors and/or members will be added within a reasonable length of time, at whichever point of time they are appointed.

Attendance will be updated in the autumn term for the previous academic year, as will governors who have not served in the last year.
