Year One Maths Homework

This homework relates to Maths work covered in class. Children should be able to mentally recall odd and even numbers within 20. Get your child to sort the numbers on the left according to whether they are odd or even. If they require help, encourage your child to "count in twos" or (using objects to sort with) group amounts into pairs.

<i>Sort these numbers into odd and even:</i>		<i>odd numbers</i>	<i>even numbers</i>
15	6		
0	5		
4	1		
2	16		
11	3		
7	9		
10	17		
82	18		
14	16		
8	13		
19	56		

We expect your child to completely this task independently. Please see your child's class teacher if you have any further questions on this particular piece of homework or to find out how to provide additional support/extension work.

This homework is due back to school on Friday.
