

Year 1

Programme of study	Learning Intentions
<p>Term 2B Classifying</p> <p>In this unit pupils learn that key pieces of information can be used to describe objects. They also learn to use simple criteria to divide groups of objects into sub-sets, and to identify objects by key words. They will use a word processor with a word bank to present information. This unit could be taught in reception. Pupils will apply what they have learnt in this unit when sorting objects in mathematics and science.</p>	<p>I will know how to use 2simple 2animate/2connect</p> <p>I will know that machines and devices are controlled by people.</p> <p>I can format my text.</p> <p>I will know how to insert a picture, type and format my text in a word document.</p> <p>I will open a program that I have never used before and show others how to use it.</p> <p>I will know how to save my work in my folder.</p>
