

Year 1

| Programme of study | Learning Intentions |
|---|--|
| <p>Term 2A Understanding Instructions and Making Things Happen</p> <p>In this unit pupils learn how to give and follow instructions to make things happen. They learn how to sequence instructions, so that others can follow them, and to predict what will happen. They learn that machines follow instructions and that they need to be switched on and off, and controlled. They will recognise the need for accuracy, definition, and common language.</p> | <p>I will use the shift key to type a capital letter, on the PC and android tablet.</p> <p>I will change my font colour and size to type a label. (Click and drag.)</p> <p>I will know how to find my activity in the websites of the week folder.</p> <p>I will edit text using delete and insert keys.</p> <p>I will know how to insert a full stop.
