### Year One Maths Homework

This homework relates to Maths work covered in class this week.

Children are creating different ways to make 10p.

Borrow some small change. With a grown up, write down all the different ways to make 10p. Can you use the money to make 10p without using a 10p coin?

10p	
10p	
10p	
10p	

Children are adding different coins together.

Write down how much is in each purse. Start with the bigger numbers first.

10p 5p 1p 1p

10p 1p 1p

1p 1p 1p 1p 5p 2p

5p 5p 1p 1p 2p

Choose a purse and then draw something you could buy with that amount.

We expect your child to complete these tasks independently. Please see your child's class teacher if you have any further questions on this particular piece of homework or to find out how to provide additional support/extension work.

This homework is due back to school next FRIDAY.
