Year One Homework

This week children are learning to write the below words from memory. Each night, get your child to practise writing these words. As an extension activity you could ask them to write these words in a sentence - getting them to "sound out" any other words they may be unsure of.

Monday				
Tuesday				
Wednesday				
Thursday				
Friday				

It is very important for your child to be able to spell these words "on the run" without spending too much time thinking about them. Being able to do so will greatly increase their confidence when writing, as well as helping with their reading development too. All this week, children will be given opportunities to learn the above words "from memory". There are lots of ways you can help this process: for example, children can "look, cover, write, check" and with your help, they can learn them using flashcards. For further advice, please see your child's class teacher.

This homework is due back to school on **FRI DAY**.
