---

---

Copy the text into your best handwriting. Don't forget to think about tall letters, small letters and long letters.

Wild guinea pigs, which are hairy, like to nibble on fresh grass, crunchy leaves and small plants, as it makes them strong. Also, they hungrily munch healthy greens and raw vegetables, because they have vitamin C. As well as that, they need to drink lots of fresh, cold water, so they can stay healthy

[illegible]

Can you improve these instructions by adding a double adverb?

carefully	gently
slowly	sensibly
quickly	hungrily
greedily	softly
lightly	gradually

First, grab a clean bowl **sensibly, sensibly**, so you don't drop it.

- Get a bowl and cereal.

---

- Put the cereal in the bowl.

---

- Open the milk carton.

---

- Pour the milk.

---

- Get a spoon.

---

- Eat the cereal.
