Year Two Maths Homework

This homework relates to Maths work covered in class this week.

Children identifying 3D shapes - a cylinder, a cube, a cuboid, a pyramid and a sphere.

Finding 3D objects at home:

Look around your home. Try to find at least 2 each of the following shapes: cylinders, cubes, cuboids, pyramids, spheres. Draw your objects and then label them with the correct mathematical names.

A picture of the object I found:	The name of the object I found:	The correct mathematical name for my object:
	<i>a video recorder</i>	<i>a cuboid</i>

We expect your child to complete these tasks independently. Please see your child's class teacher if you have any further questions on this particular piece of homework or to find out how to provide additional support/extension work.

This homework is due back to school next **FRI DAY**.
