

Name _____

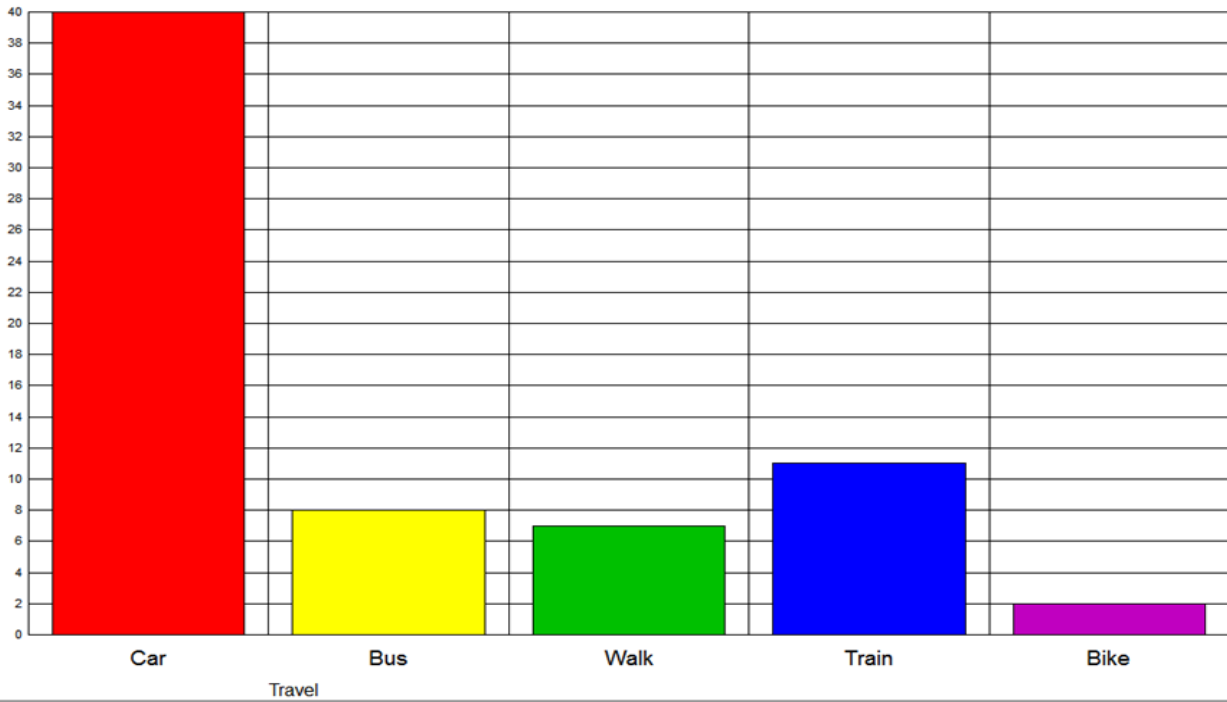

Year Two Maths Homework - Zoomers

This homework relates to Maths work covered in class this week.

Children are collecting data using a frequency table.

Use the data to answer each question

The way teachers travel to school

Use your data to answer these questions:

What is this bar chart giving us information about?

What is the most popular way to travel?

How many more teachers travel by car than walk to school?

How many teachers were asked in total?

Unless otherwise stated, we expect your child to complete these tasks independently. Please see your child's class teacher if you have any further questions on this particular piece of homework or to find out how to provide additional support/extension work.

This homework is due back to school on Friday.
