Year Two Maths Homework

This homework relates to Maths work covered in class this week.

Children are using repeated addition to calculate "lots of 2s".

Draw pictures to help you calculate these sums:

$3 \text{ lots of } 2 = 6$

$2 \text{ lots of } 2 = \underline{\quad}$

$8 \text{ lots of } 2 = \underline{\quad}$

$6 \text{ lots of } 2 = \underline{\quad}$

$5 \text{ lots of } 2 = \underline{\quad}$

$4 \text{ lots of } 2 = \underline{\quad}$

$9 \text{ lots of } 2 = \underline{\quad}$

$10 \text{ lots of } 2 = \underline{\quad}$

Write down all the multiples of 10 between 1 and 110:

0					50					100
---	--	--	--	--	----	--	--	--	--	-----

Unless otherwise stated, we expect your child to complete these tasks independently. Please see your child's class teacher if you have any further questions on this particular piece of homework or to find out how to provide additional support/extension work.

This homework is due back to school on Friday.
