Year Two Maths Homework

This homework relates to Maths work covered in class this week. Children are partitioning numbers into 'tens' and 'ones'.

Have a look at the below numbers. Partition them into the hundreds, tens and ones numbers that they are made up of.

$$324 = \boxed{300} + \boxed{20} + \boxed{4}$$

$$258 = \boxed{} + \boxed{} + \boxed{}$$

$$649 = \boxed{} + \boxed{} + \boxed{}$$

$$846 = \boxed{} + \boxed{} + \boxed{}$$

$$579 = \boxed{} + \boxed{} + \boxed{}$$

$$207 = \boxed{} + \boxed{} + \boxed{}$$

$$808 = \boxed{} + \boxed{} + \boxed{}$$

$$619 = \boxed{} + \boxed{} + \boxed{}$$

Unless otherwise stated, we expect your child to complete these tasks independently. Please see your child's class teacher if you have any further questions on this particular piece of homework or to find out how to provide additional support/extension work.

This homework is due back to school on Friday.
