Year Two Maths Homework

*This homework relates to Maths work covered in class this week.***How many hundreds tens and units?**

Read each number and draw the hundreds, tens and units to make it. Write the correct number of tens and ones in the box.

435

H	T	U

285

H	T	U

309

H	T	U

Can you fill in the missing numbers?

Split each number into its hundreds, tens and units to make the sum correct.

$$200 + 30 + 7 = 237$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 165$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 716$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 420$$

$$691 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

$$111 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

Unless otherwise stated, we expect your child to complete these tasks independently. Please see your child's class teacher if you have any further questions on this particular piece of homework or to find out how to provide additional support/extension work.

This homework is due back to school on Friday.
