Dear Parents/Carers,

Safer Internet Day 2018 – Tuesday 6th February

Safer Internet Day is an international celebration aimed at promoting the safe and positive use of digital technology for children and young people. It is coordinated in the UK by the UK Safer Internet Centre under the slogan:

“Create, Connect and share Respect: A Better internet starts with you”

Next Tuesday we are hosting a meeting for all Parents and Carers to share the key messages of this important day. We will discuss positive uses of technology and the role we play as adults in helping to create a better and safer online community for our children. We will also be able to share what we do in school to keep our children safe, how we help the children learn to use technology appropriately, and what you can do at home. Simon Mordecai, the school's IT Manager, will be there to answer any technical questions you may have.

The meeting will take place at 9:00am

In the meantime, check out Paul's video all about e-safety:

And the school's e-safety and Acceptable Use Policy:
