

“Children are not born with an understanding of the rules of acceptable behaviour - they have to learn them, and need adults help to do this”

We value the power of working with “Parents as Partners”. We totally understand that your child is special to you and there might be times when – unintentionally - you get upset. We will always do our best to help you. However, any inappropriate or discriminatory behaviour (whether prejudice, racism, religious intolerance/extremism, homophobia, bullying, sexism, disproportionate anger/shouting, abusive remarks, rude or persistent vexatious/threatening behaviour) could result in you being banned under the School’s **Code of Conduct Policy** (which can be found in the Policies section of the School Website)
