Make these sentences better. Make them **super sentences!** Read the text through and add words for and then.

Jack lived with his mother and they were poor. And then Jack cried "I want some food".
And then his mum said "go and sell the cow". And then Jack went to market. And then he
met an old lady. "Do you want to sell your cow?" she said. And then she gave Jack some
beans, but Jack's mum threw them away... And then the Ogre said "fee, fi, fo fum".
"Where can I hide?" Jack said. And then the old lady whispered "you can hide in here".
Jack went in the oven. And then the Ogre went to sleep. And then Jack stole his money.
And then the ogre woke up and then he chased Jack.
