Jim woke up and saw an enormous plant growing outside his window. "I'll see how high it goes", he said. Then, he climbed up it. Then, he reached the top of the plant. Then, the giant said he might eat Jim in a fried boy sandwich. Then, the giant complained that he couldn't see, so Jim got him some glasses. Then, the giant moaned that he wanted a wig, so Jim got him one. Then, the giant shouted he wanted a wig, so Jim got him one as well. Then, the giant joked that he still might eat Jim.
