Try Our Bugs Bunny Target Game

Challenge: To get as many objects into the targets!

You will need: Bean bags/balls/balloons or even screwed up paper to keep it simple. You will also need baskets/hoops or boxes as the target.

How to play:

- Arrange the target areas in an open space and create a target line for the bunnies to stand behind when throwing their objects.
- If you're using paper, crumple it up and get into teams - why not name them Bugs Bunny and Lola?
- On the command of 'GO', team Bugs has a set time to place as many of the objects as possible into the targets. Collect the objects and then it is team Lola's turn.
- The team with the highest score will be the winning team!
