Dear Parents / Carers;

2018 Be Bright Car Free Day at Thames View Infants

I'd like to let you know about an exciting project that is starting at Thames View Infants and being run by Sustrans this year - Bike It Plus.

Alison Litherland is the Sustrans Bike It officer for Thames View Infants and she's going to be working closely with you, the children, the school and the borough in order to encourage more families to walk, cycle and scoot to school.

Over the coming month the children will meet Alison in Assembly, as well as just in and around the school. She'll even be holding a special Be Bright Competition on Tuesday 4th December to launch the project.

If they want to, The Be Bright Competition is an opportunity for children to decorate their bikes, bring them to school (labelled) and wear their brightest clothes. Alison will be giving out prizes in assembly on 4th December for the children with the brightest clothes and have the most colourfully decorated bikes!

Alison also wanted us to draw your attention to an online survey that Sustrans are conducting. If you complete the survey they'll automatically enter you into a competition to win a new frog bike. The survey can be found at:

<https://sustrans.onlinesurveys.ac.uk/bikeit-parent-survey>

If you have any queries regarding the Be Bright / Bike It programme being run by Sustrans, please feel free to pop in and have a chat with either Alison or myself. Also, keep an eye out for the special Sustrans coffee morning which I'm going to be hosting soon!

Best wishes,
