7th November 2018

Dear Parents / Carers;

Ditch the Stabilisers!

As part of the Bike IT programme this year, Sustrans will be running a 'Ditch the Stabilisers' session at Thames View Infants immediately after school on 4th December 2018.

This session is designed for children who have never ridden a bike without stabilisers before. If chosen, through a series of fun games, your child will learn how to make a bike stop, use their bike like a balance bike and finally get pedalling.

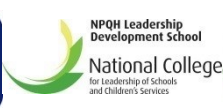

Parents are expected to play a vital role in this programme encouraging and supporting their child in mastering this new skill and, because of this, if your child is chosen to take part in this programme, you will need to stay with your child for the duration of the session.

If your child is chosen, you will need to ensure that you bring your child's bike to school with the stabilisers already removed on the day (at hometime) and ensure the bike is in good working order.

To ensure each child has the support they need we only have a limited number of spaces in this session. If you want your child to take part please complete the consent form now available in Parentmail as soon as possible. Places will be allocated on a 'first come, first served' basis and I will let you know if your child has a place on this course by Friday 16th November.

Best wishes,

Emmajane Cooper
Parent Support Advisor

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.
