28th November 2011

Dear Parent / Carer,

Thames View Greenway Project

I am excited to announce the new Thames View Greenway Project which Thames View Infants are involved in.

You will have received a letter from the Be First/the council about this last week. The Thames View Greenway is a new nature trail for people on foot and bicycle. The path will trace the southern border of the Thames View Playing Fields and link into the Ripple Nature Reserve at the eastern end.

The path will provide safer routes to schools for children walking and cycling and will become a leisurely place to take a stroll and enjoy nature, as well as linking residents in Thames View with the River Thames footpath off River road. New natural play features will also be installed along the greenway, designed by children.

In the New Year we will be running sessions in school to involve pupils in the design of this new nature trail. This will be a great opportunity for your child to influence and improve their local area and we're sure they will be proud of the results.

Here is a plan of the scheme:

It is important that you share your views on this project to ensure that the project reflects your child's needs as well as your own. Please click here to complete this short survey: sustrans.onlinesurveys.ac.uk/greenway

If you would like to get more involved in choosing features for this exciting new park yourself, please share your contact details in the survey.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

You can also drop in to the following engagement sessions:

- Saturday 1st December – Sue Bramley Centre – 11am-1pm
- Friday 14th December – Mums on a Mission Street Party, Farr Avenue Shops – 3-6pm

Best wishes,

A handwritten signature in black ink, appearing to read 'P. Jordan'.
