30<sup>th</sup> November 2018

Dear Parents / Carers;

## Change of date for Bike It Project at Thames View Infants

Due to unforeseen circumstances we have had to cancel the Bike It event on 4<sup>th</sup> December 2018 (bring you bike to school day). This event will now take place on **12<sup>th</sup> February 2019**. This means your child/ren are no longer required to bring their bike on the 4<sup>th</sup> December and it will be a normal school uniform day!

Alison Litherland is the Sustrans Bike It officer for Thames View Infants and she's going to be working closely with you, the children, the school and the borough in order to encourage more families to walk, cycle and scoot to school.

Over the coming months the children will meet Alison in Assembly, as well as just in and around the school. She'll be holding a special Map and Chat parent event on the **29<sup>th</sup> January** in our school playground. The Be Bright Competition and Learn to ride without your stabilisers will now be held on **Tuesday 12<sup>th</sup> February**.

The Be Bright Competition is an opportunity for children to decorate their bikes, bring them to school (labelled) and wear their brightest clothes. Alison will be giving out prizes in assembly on 12<sup>th</sup> February for the children with the brightest clothes and have the most vibrantly decorated bikes!

Alison also wanted us to draw your attention to an online survey that Sustrans are conducting. If you complete the survey they'll automatically enter you into a competition to win a new frog bike. The survey can be found at: <https://sustrans.onlinesurveys.ac.uk/bikeit-parent-survey>

If you have any queries regarding the Be Bright / Bike It programme being run by Sustrans, please feel free to pop in and have a chat with me. Also, keep an eye out for the special Sustrans coffee morning which I'm going to be hosting on the **5<sup>th</sup> February 2019!**

Best wishes,

Emmajane Cooper  
Parent Support Advisor
