

# Celebrating Success at Thames View Infants

Reasons to be proud of your community's Academy!

Thames View Infants is a vibrant, twice Outstanding (2009 & 2014), award-winning, multi-cultural Infant Academy. The Academy Directors for TVI Learning are keen to celebrate with you some of the many successes and achievements secured at TVI in the last 12 months!

## What we do exceedingly well:

We know that 100% of teaching is "at least Good" and 65% "Outstanding" and this is consistent across the whole school.

Our Nursery and Reception (EYFS) Provision is Outstanding. For 7 of the last 8 years, Reception pupils have left "in line and above National Averages" for all aspects of learning.

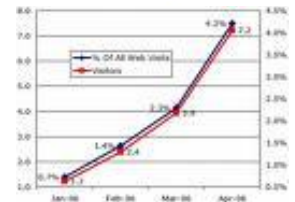

Attainment at the end of Key Stage One is "Outstanding" and ensures that Yr 2 children leave "exceptionally well prepared for the next stage of their learning".  
(\*source: Raise & Ofsted).

Children develop Mastery within a High Quality provision that offers rich opportunities for cross-curricular consolidation.

Attainment is high. By the End of Year 2, attainment at "Expected" is within the top 3% of all Schools Nationally. At "Greater Depth", attainment is within the top 1% of all Schools.

Children make sustained accelerated progress throughout the school. We engender autonomy & independence – including collaborative "out of class" peer-support personalised learning.

Statistically, children at TVI do better than the average child living in leafy Richmond-upon-Thames (the highest attaining LA nationally).

We know that *all* children, regardless of ability (including those that are Exceptionally Able), are supported within school – and are helped to reach their very best!

Our attendance remains the *highest* of any school across the Borough. More than 1 in 3 children came in to school every day last term.

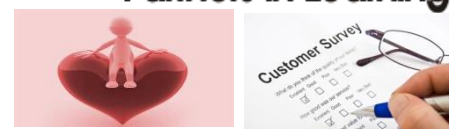

An instilled culture of Cooking, Dance, ICT, Community Events and the careful use of Social Media engenders a close working partnership with parents and high engagement.

TVI is very much an inclusive British School with its heart in the community. A responsive Family Support team undertake careful pre-emptive & reactive work.

We pride ourselves on our client-led customer service.

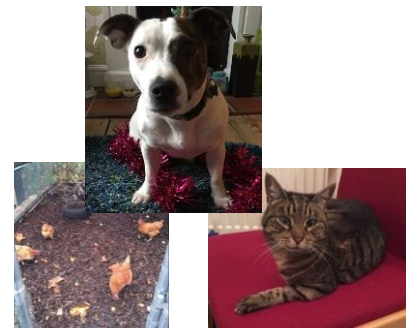

Schools Awards 2017

TVI has an award-winning & we offer expertise at conferences. In 2017, Paul Jordan was the only London Headteacher shortlisted in the TES Headteacher of the Year Awards.

We run many exciting initiatives, including enabling Yr 2 families to "lend or buyback" iPads, which children take to school each day. We have a small (but expanding) farm, a wild-life garden, a school cat and Pear the school dog.

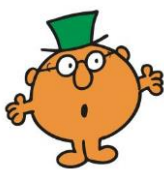

We Tweet @TVInfants. Our YouTube Page hosts a variety of Podcasts & "TopTips4Learning".

We help children to inspire each other and to grow as leaders. Senior Leaders, a diligent School Council and regular referendums ensure we listen carefully to our children, take on board their ideas and teach them the importance of democracy.

We are a truly extended school, running a free breakfast club for working parents, after-school clubs and we also host at weekends too.

In 2014 we became a National Leader of Education (NLE) and last year we became a Multi-Academy Trust - 'TVI Learning'.

NPQH Leadership Development School  
National College  
for Leadership of Schools  
and Children's Services

We established ourselves as a Learning Centre long before achieving NLE status. A wide range of visitors come to TVI to learn from our expertise, including trainee teachers, researchers, NPQH candidates, Governors & other Headteachers!

We were judged as "Outstanding" by Ofsted in 2009 and 2014. We believe we have continued to get "even better". Each year we choose to ask for our judgements to be independently scrutinised.

follow us on twitter

Our children know what to do when things go wrong as they learn to play with others. All children, from Nursery upwards, are empowered to ask "Excuse me, but I don't like that!" and are taught skills to resolve disputes and misunderstandings amicably.

Our Collaborative Partnership with Thames View continues to work for better learning for all pupils across both settings, as we work closer together & share expertise.

We have a caring team of very dedicated and hard-working Directors / Members and LAB Members who know your school 'inside and out'. They make sure the school is run as effectively as possible.

We're very good at working with other agencies to provide as much support as possible for those families that need it.

We work in partnership with our parents and value their feedback and support. We regularly seek parents' views and even have on-line customer feedback surveys!

Through the TVI Learning Multi-Academy Trust, we are now in a position to grow... Fords View Primary - due to open in 2022 - is our first such project, located on Beam Park.
