9th May 2019

Dear Parents/Carers,

Eggs and Chicks in Reception

We are very excited to let you know that we are going to be visited by some real life chicks in Reception next week!

On Monday 13th May we will receive an incubator and brooder containing 10 eggs – we keep them for 10 days and watch them hatch into chicks.

The children will have the opportunity to watch them hatch and grow and learn about what care the chicks need; they may even have the opportunity to handle them! It will be a great opportunity for our

Reception children to witness part of the life cycle of a living creature and fits in nicely with our current farm topic.

The eggs are supplied by a company called Living Eggs, and are from DEFRA approved hatcheries. They are sanitised before arriving at school, and there is no risk of transmissible disease from them. As part of our learning we will teach children about hygiene and the importance of washing their hands after being in proximity to the eggs and chicks.

If you have any questions regarding the chicks, or if you would like to come and have a look for yourself, then please speak to me or a member of staff.

Yours sincerely,

Adam Dobson
Head of EYFS

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.
