Dear Parents/Carers,

Reception Garden Area – Can You Help?

You may remember a few weeks ago I asked for parent volunteers to come in and help with setting up our garden area. Well, we managed a lot in the week before Easter, but there is still lots more to do!

We would be very grateful for any time you may have to spare so that we can get the garden growing and help set the remaining tyres in place. We would really like to make the most of these new things this academic year before the children move up to Year 1.

Some of the jobs that we still have to do include:

- Painting the role play "boat" made of tyres
- Filling the tyre plant pots with soil and planting some plants
- Dig the remaining large tyres into the ground
- Help us teach the children how to use and enjoy all the new things in our playground!

If you have some spare time, and think you could help us, please pop in and speak to either your child's Class Teacher or myself. Any time you can spare at all is greatly appreciated!

Yours sincerely,

Adam Dobson
Head of EYFS
