10 May 2019

Dear Parents/Carers,

Nursery learning next week

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk

Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult. Next week we will be continuing with our topic 'Transport'.

Please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home to help your child learn and become independent and ready for the next stage in their learning journey.

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Please remember:

- Children will get too hot in school when the weather gets warmer – they **don't need lots of layers**
- In sunny weather please send your children in with sun hat and sun cream already applied.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please have a little look at the **pink box** below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

Plant some seeds or plants and watch them grow. Talk to your children about how they grow and what we need **to do to look after them. You don't need a garden, you can put a pot on a window ledge!**

Don't forget to tweet a picture and tag us too! ☺
@LizAkinymiTVI, @TVInfants

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,

Elizabeth Akinyemi
Nursery Teacher

Nursery Timetable WB: 13th May	Monday	Tuesday	Wednesday	Thursday	Friday
8:45 - 9:00 12:30-12:45	<i>Welcome and settling period. Children find their name brick to complete their self registration, then choose an activity.</i>				
9:00 - 9:20 12:45-1:05	Reading <i>Dig, Dig, Digging</i> and exploring different vehicles.				
	I can join in with a story	I can find the vehicle in a game	I can talk about vehicles on a building site	I can remember what vehicle has moved in Kims game	I can count how many spots are on the dice
9:20 - 11:15 1:05-3:00 including freeflow	Free Flow Activities				
	We will be pretending to play in the Travel agent under our loft. We will be learning how to play with our friends and share our toys.				
	Children are developing their fine motor skills with a range of mark making and construction activities. They can use paint to print patterns and shapes.				
	Personal Social Emotional Development: We are encouraging children to be more independent and confident.				
	Directed Activities:				
	We will be making vehicles to put up in nursery	We will make observational drawings, including self portrait	We will be baking bread	We will be talking about and drawing our journey to school	Children will be directing the beebot in a traffic jam
Outside:					
Children are developing gross motor (big muscle) skills. They are building with construction materials, and climbing on the climbing frame.					
11:15-11:45 3:00-3:30	Snack time:				
	During snack time children are encouraged to choose, eat, and drink their snack independently. They are encouraged to show good manners, saying please and thank you.				
We will read some of our favourite stories. Children will learn counting songs such as 'five currant buns' and are encouraged to join in with singing and actions.					
Home time	You can talk to your child about the activities and perhaps get them to show you. Read stories with your children and encourage them to talk about what they can see in the pictures.
