Dear Parents/Carers,

Nursery learning next week

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk

Children will take part in a short whole-class teaching session, followed by a wide range of carefully planned activities to consolidate their learning in class and outdoors. Children are also directed to join in with small group activities led by an adult. Next week we will be continuing with our topic 'Transport'.

Please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home to help your child learn and become independent and ready for the next stage in their learning journey.

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Please remember:

- Children will get too hot in school when the weather gets warmer – they **don't need lots of layers**
- In sunny weather please send your children in with sun hat and sun cream already applied.
- Next Friday 24th May is the last day before school closes for half term

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Pupil Head Teacher Election Day

Thursday 23rd May

Make sure you vote!

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

We have been learning about transport vehicles. Encourage your child to talk about the different sounds they can hear in their environment.

Don't forget to tweet a picture and tag us too! 😊
