Thames Ward residents are invited to a family community day with The London Fire Brigade on Monday 29th July, to find out more about fire safety.

Kids and adults will meet firefighters, be offered basic fire training, learn how to prevent fire and see what it's like inside a real fire engine. There will be a chance to book an appointment for a free fire inspection of your home.

This event is being run by local volunteers and the Barking Reach Residents Association, supported by Barking Riverside Limited, L&Q and Pinnacle Places.
