Copy the text into your best handwriting. Don't forget to think about tall letters, small letters and long letters.

One gloomy dull morning, Little Lumpty was staring at the gigantic wall, as he had always wanted to climb it. Often, he would sensibly clean it, so it looked nice. However, his mum, who was worried, warned him that he should never ever climb the huge wall, as it was too high and dangerous. However, Little Lumpty had other ideas and he decided to climb it anyway. What a silly boy!

[illegible]

**Plan a healthy dinner, remembering to choose foods from each food group.
Not too many high energy foods!**

Can you change these simple sentences into Super Sentences, using adjectives, adverbs and connectives.

Little Lumpty loved the wall.

He got a ladder.

He danced on top of the wall.

Little Lumpty was sad and cried.

He jumped off the wall and into the air.

My holiday

Write about something exciting that happened during your holiday. Don't forget to use super sentences to make it interesting.
