Year One Maths Homework

This homework relates to Maths work covered in class. Children will be revising how to mentally “subtract 10 from a teens number”.

Subtracting 10 from a 'teens number'.	
Remember a 'teens number' it is made up of a '10' and 'ones':	
For example,	
$13 =$	
$15-10=$	$17-10=$
$13-10=$	$19-10=$
$11-10=$	$12-10=$
$14-10=$	$16-10=$
$18-10=$	

We expect your child to completely this task independently. Please see your child's class teacher if you have any further questions on this particular piece of homework or to find out how to provide additional support/extension work.

This homework is due back to school on Monday.
