name_____

Year Two Maths Homework

This homework relates to Maths work covered in class this week.

Children have been revising the addition and subtraction facts of within 20.

Making 20:

Make these number cards:

2	3	7	8

Using only these cars, which numbers up to 20 can you make by adding and taking away? Write down the sums you make in the boxes.

$7+8-3=12$	

We expect your child to completely these tasks independently. Please see your child's class teacher if you have any further questions on this particular piece of homework or to find out how to provide additional support/extension work.

This homework is due back to school next FRIDAY.
