## Super Sentences! Not Now Bernard (Tuesday)

These simple sentences are dull! Make them better. Make them **super sentences**! Read the text through and add adjectives.

Dad had a hammer. Bernard said hello to his Dad. Dad hit his finger by mistake and was cross. In the kitchen, Mum stood on a stool. She wore an apron. She ignored Bernard too. Later in the living room, Bernard stood on a rug. He told Mum about the monster. Mum ignored him again. She was too cross to see the vase and the water. Suddenly, the monster ate Bernard up and sat on some rocks. After that, he went into the house. Mum thought the Monster was still Bernard and ignored him again. The monster put his finger on his lips. A little later, he bit Dad and made him drop his newspaper. Mum put the dinner on a plate in front of the television. The monster ate the dinner and then broke some toys in Bernard's bedroom. Finally, he went to bed. "But I'm a monster," said the monster. "Not now Bernard", shouted Mum.
