Extra homework!!!

Help your family to make their own pizza!

What ingredients will you use?

You might have the things you like in the fridge or cupboards already.

If you don't have muffins then use a wrap, piece of baguette or even a slice of bread.

Use ketchup instead of tomato sauce.

Make sure the grown up does the cooking bit.

Remember you must not touch the oven.

It's hot.

Dear Parents and Carers

Please have a go at some of this task, the children really enjoyed it in class. It helps them to make choices, develops language skills as well as reading and writing. Take a picture, email it or Tweet it and we'll print it for you:
