How to make cereal.

Made and written by...

Ingredients. To make cereal you will need:

Special Homework Task.

Help your family to make their own healthy breakfast cereal.

What ingredients will you use?

You might have the things you like in the fridge or cupboards already.

You can use milk or yogurt, you might even like it dry.
Use what you like, but don't forget to try something new.

Dear Parents and Carers

Please have a go at some of this task, the children really enjoyed it in class. It helps them to make choices, develops language skills as well as reading and writing. Take a picture, email it or Tweet it and we'll print it for you:
