

Please could you help your child practise reading the following sounds:

s a t p i n m d g o c k

ck l b d u e ll zz z qu w x

y sh ch th ng ow oi ai ee oo

oa ar or igh ur ear er

Can you tick off the ones they know? Can you write any words using them?

Can you read these tricky words? Look at them, spell them, cover them up and write them down...how many did you get right?

was will with my he she me we they them this for

Name \_\_\_\_\_

I can read and write these captions.

This owl went to the town for a year.

---

The cow will join the herd.

---

You can see my beard.

---

We are looking at 3D shapes. It would be great if you could discuss shapes in the environment with your child. for e.g. cubes, cuboids, cylinders and cones.

We really need junk modelling materials. We need items such as cereal boxes clean cartons and unusual shaped boxes.

**Thank you for your continued support.**
