After School Club

Autumn Term

2018

This term's After School Clubs are now available for booking exclusively on ParentMail. To apply for an afterschool club this term you will need to:

1. Log into ParentMail.
2. Click on the tab 'FORMS' (left hand side).
3. Open the form headed CLUBS.
4. Select the club/s that your child would be interested in attending.
5. Press the submit button at the bottom.

The deadline for the submission of forms is **Monday 24th September** at **8:30am**.

We carefully match your child's preferences with your child's educational needs. It's a hard job to do, but we try our best to get the balance right. Some children, of course, will find an extended day quite challenging and would benefit from quality time at home with their parents/carers.

You will receive a message via ParentMail to let you know if your child has been allocated a place in one of this term's clubs as soon as we can next week.

Please note that all active clubs will be held outside, weather permitting. Please ensure that your child has a PE kit in school including jogging bottoms.

Clubs for Year 1 & 2

A **'Red Club'** means 'extended schooling': we believe that your child might benefit from additional tuition beyond the outstanding inclusive provision that we offer during the school day. Learning is highly tailored and we would ask you, that if your child is selected for an 'extended schooling' session, you make every effort for your child to attend to maximise the benefit of this special opportunity.

Do NOT apply for clubs in RED, your child will be informed if they have a place
