LEARNING IN YEAR 1

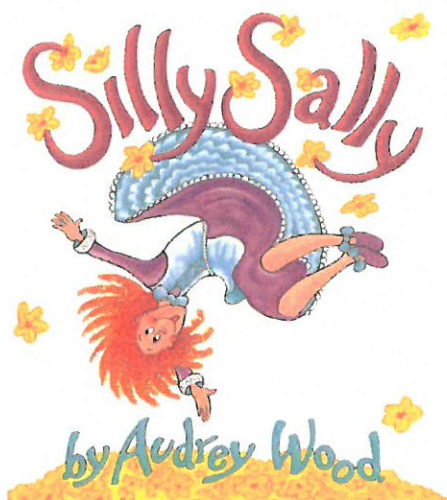

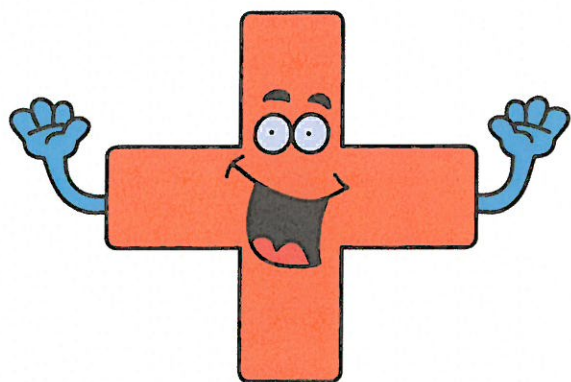

The children have been back in school for 2 full weeks now and learning is as energetic and lively as ever.

Next week in our **Writing** session, we will begin by reading the book **Silly Sally**. Afterwards we write all about the animals she meets on the way to town.

In **Maths**, the focus will be on **addition**. We will be teaching the children to identify the biggest number in an addition sum, then count to find the answer.

The children will be learning all about the **skeletal system** in **Science** next week.

INVESTOR IN PEOPLE

We're a PAPERLESS School – so you **must** download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Zoom

Booking for Parent's Meeting with your teacher go live Monday 28th September. Meeting will take place over the video conferencing software **Zoom**. You will need to setup a **Zoom account** and **download Zoom** to your computer or **smartphone**.

P.E

Your child will take part in 2 P.E sessions per week (indoor & outdoor)

Why not practise at home with your changing in and out uniform independently.

This will help us in class and give the children more time for P.E

N.B. Children will need trainers or plimsols for outdoor P.E

Reading

This week teachers will read with every child in the class to check they are on the correct book band. At the end of the week, check with your child if their book band has changed and that they have the correct book.

Family Learning Together

In preparation for our History topic, can you have some discussions about the different types of homes and their features (flats, cottages, bungalows etc...)

Together

We Can Stop the Spread

HANDS

FACE

SPACE

Please help us by:

- Wearing a face covering at all times whilst on school grounds
- Keep at least 2 metres distance from others on school grounds
- Groups no bigger than 6
- As soon as you have collected your child you go straight home

I hope this has been helpful – do look out for tweets from us!

Yours sincerely,

Alastair Solomon-Ayeh
KS1 Co-Leader, Year 1 Leader
