Dear Parents/Carers;

WELCOME BACK

It's great to see everyone back after the long break. Children are settling well into their new classes, school looks vibrant and fresh and everyone is happy and keen to learn.

Lots of parents are often keen to know what their child will be learning in class. Each week I will send out a letter with lesson details for the week ahead. This will include the key learning taking place that week and any additional messages I have for you. We hope you'll find this useful when supporting your child at home. To get you started, here's a brief overview of the topics we'll be covering this half term.

@TVInfants #HeadteachersUpdate

In each Year Group, teachers will be making a short video to tell you some top tips that you can do with your child at home. All these top tips will help us tremendously whilst they are at school. So please keep an eye out for that.

STAY
UPDATED

Comfortable footwear

We try to make the school as warm and cosy as possible for the children. Children can wear comfy, cosy slippers whilst in class if they would like to.

P.E Kit

Your child will 2 P.E sessions per week (indoor & outdoor) and will need the following:

- Blue shorts
- White t-shirt
- Plimsolls/trainers

Why not practise at home with your child, changing in and out of their uniform independently.

This will help us in class and give the children more time for P.E

PLEASE REMEMBER

- ✓ To wear a face covering at all times when you are either dropping your child off or collecting them from school
- ✓ To keep a safe distance from each other
- ✓ Please do not clump together in groups of more than 6
- ✓ Please do not linger around school after picking up your child.

THE
SPREAD**

Yours sincerely,
