Dear Parents/Carers;

Nursery learning next week!

Here's some information about what your child will be working on in class next week. We will be continuing with our new topic 'Animal Adventures'. This week we will be learning about jungle animals. Children will take part in a range of carefully planned activities revolving around Jungle Animals and their environment. We will be making face masks as well as animal biscuits!

- Please remember every day to bring water bottles to school with the children's name on

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

Please remember:

- ✓ Bring a clean set of clothes
- ✓ Welly boots for cold and wet weather
- ✓ Children should not wear any jewellery in School, please
- ✓ Please avoid dressing your child in too many layers – nursery is very warm.

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

Ask your children to help you clean and tidy the house. Teach them the importance of looking after their belongings, and help them listen carefully to your instructions.

Don't forget to tweet a picture and tag us too! ☺

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,
