06 November 2020

Dear Parents/Carers;

Nursery learning after the break!

Here's some information about what your child will be working on in class next week. We will be continuing with our new topic 'Animal Adventures'. This week we will be learning all about bears, the different types of bears, where they live, and about different animals that share their environment. Children will take part in a range of carefully planned activities revolving around our new topic. We will be making a bear cave and our own bear food!

- Please remember school uniform must be worn everyday – school logo polo shirt with plain black/grey trousers or joggers.

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

As always, please come and see us if you'd like more information on the learning your child is working on. We can help you with tips on things to do at home and useful internet resources. We'd also love to hear about the fun you have at home learning new things together. And of course, keep an eye on Twitter so you can see what we're up to!

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

ParentMail

Book your Parent-Teacher meeting using ParentMail if you haven't done so already

- **Parrots** Tuesday 10th November
- **Penguins** Wednesday 11th November

Parents meeting will be taking place via Zoom

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

Introduce your child to a range of different fruit and vegetables. Talk with your child about the how they taste, the flavour and textures.

Don't forget to tweet a picture and tag us too! ☺
@TVInfants, @ClaireTVI, @AdamDobsonTVI @IramTVI

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,

Iram Ditta
Nursery Teacher

Nursery Timetable WB: 9 th November	Monday	Tuesday	Wednesday	Thursday	Friday
AM: 8:25 - 8:40 PM: 12:10-12:25	Welcome and settling period. Children find their name brick to complete their self registration, then choose an activity.				
AM: 8:40 - 9:00 PM: 12:25-12:45	Reading familiar animal stories and exploring different fruits.				
	I will join in with jingle band game...	I can talk about polar bears and where they live.	I can talk about brown bears and what they like to eat.	I can talk about panda bears and their families.	I can use the mouse to play a game on the computer.
AM: 9:00 – 10:55 PM: 12:45-2:40 including free flow	Free Flow Activities				
	We will be pretending to play in the bear cave. We will be learning how to play with our friends and share our toys.				
	Children are developing their fine motor skills with a range of mark making and construction activities. They can use paint to print patterns and shapes.				
	Personal Social Emotional Development: We are encouraging children to be more independent and confident.				
	Directed Activities:				
	I can make a brown bear collage.	Children will be building rockets with construction .	I can explore different pictures and make a fireworks picture.	I can make mehndi patterns.	We will be making our own bear food.
	Outside:				
AM: 10:55-11:25 PM: 2:40-3:10	Children are developing gross motor (big muscle) skills. They are building with construction materials, and climbing on the climbing frame.				
	Snack time:				
	During snack time children are encouraged to choose, eat, and drink their snack independently. They are encouraged to show good manners, saying please and thank you.				
Home time AM: 11:25 PM: 3:10	We will read some of our favourite stories. Children will learn counting songs such as 'five currant buns' and are encouraged to join in with singing and actions.				
	You can talk to your child about the activities and perhaps get them to show you. Read stories with your children and encourage them to talk about what they can see in the pictures.
