## LEARNING IN YEAR 1

Next week in our **Writing** sessions, we will be **writing instructions** for making a tasty pizza!

In **Maths**, the focus will be on **time**.

The children will be learning all about the **weather**.

### SEASONS & WEATHER

Healthy Schools

INVESTOR IN PEOPLE

We're a PAPERLESS School – so you **must** download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

# Christmas LOADING...

## Christmas Lunch at TVI on Monday 7<sup>th</sup> December

## Thursday 10th December – Year 1 Christmas Fun Day

Your child will need some loose change (but no more than £1) in 'small coins' to go shopping with and a carrier bag with their name on in order to take home their purchases! Children really enjoy the day and they also gain a valuable insight into the principles of shopping and budgeting – like grown-ups.

## Christmas Jumper Day on Friday 11<sup>th</sup> December

### Fun Day - Thursday 10<sup>th</sup> December

There will be various festive stalls, run by School Staff and Children will have the opportunity to make traditional Christmas decorations that they will then be able to take home with them.

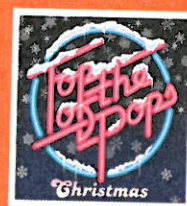

Now is the time for you to start searching your toy cupboards for any suitable unwanted toy donations. All children in attendance will have the opportunity to have their photograph taken with Father Christmas, which will be available for you to purchase at a later date for £2.00.

In the afternoon the children will have their fun filled Christmas class parties complete with party food and festive themed party games.

### Christmas Concerts

This year we're doing a very different kind of socially distanced Christmas Concert for our parents to enjoy! On Thursday December 17th we will be live streaming via Twitter our TVI Top of The Pops Christmas Special! All of the children will be performing their Christmas songs and dances and you will be able to tune in and watch them live @TVInfants!

### Family Learning Together

In Science this week we will be learning all about the weather. Find the forecast for the week. Then, record if it's accurate by making your own weather chart for each day.

Don't forget to tweet and tag us.

#familylearning

### Please help us by:

- Wearing a face covering at all times on school grounds
- Keep at least 2 metres distance from others on school grounds
- Groups no bigger than 6
- As soon as you have collected your child you go straight home

I hope this has been helpful – do look out for tweets from us!

Yours sincerely,

Alastair Solomon-Ayeh  
KS1 Co-Leader, Year 1 Leader
