11 December 2020

Dear Parents/Carers;

It's nearly end of term!

- Myself and the rest of the Nursery team would like to wish everyone celebrating Christmas a Merry Christmas and a happy new year. We hope you have a wonderful Christmas with your loved ones. Please remember to keep yourselves and others safe.
- **Thursday 18th December** will be the last day for both **AM** and **PM** Nursery.
- School will reopen as normal on the **5th January 2021**.

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Remember communication is so important. If you're worried, unsure about anything or would just like to know how your child is learning, feel free to pop in and see us! It's good to talk.

Please remember:

- ✓ Bring a clean set of clothes
- ✓ Welly boots for cold and wet weather
- ✓ Children should not wear any jewellery in School, please
- ✓ Please avoid dressing your child in too many layers – nursery is very warm.
- ✓ Please remember to put names on **jumper**s and **coat**s as well as your **water bottles**

Please have a little look at the **pink box** below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

Get creative with your child. You and your child can paint a picture of objects around the home. Creative activity with your child is a great activity to help children learn about colour mixing

Don't forget to tweet a picture or a video and tag us too! 😊

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,
