## LEARNING IN YEAR 1

Next week in our **Writing** sessions, we will be reading the story **I Went Walking**. We will be writing about what we might see along our journey.

In **Maths**, the focus will be on **fractions of shapes & amounts**.

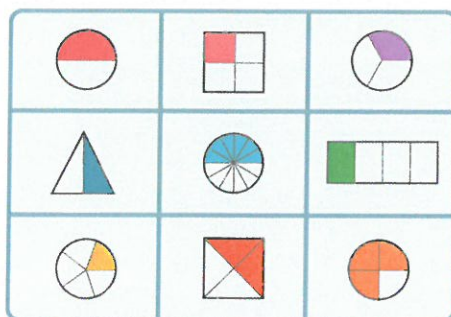

The children will be learning all about why animals **hibernate and migrate**.

INVESTOR IN PEOPLE

We're a PAPERLESS School – so you must download & register your **ParentMail App** to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

## Last day of term

Friday 18<sup>th</sup>

11:55 am finish

## Have you checked your Parentmail?

In these difficult times, the best way to keep up to date is by checking your Parentmail.

If there have been any significant changes to the school day or planned events, this will be outlined as soon as possible on Parentmail.

## Family Learning Together

In Maths, we will be learning all about fractions of amounts. Why not put your detective hats on and start an investigation! Collect an even number of objects (sweets, biscuits, coins etc..) and investigate if they can be shared equally amongst your family members.

Don't forget to tweet and tag us.

#familylearning

## Please help us by:

- Wearing a face covering at all times on school grounds
- Keep at least 2 metres distance from others on school grounds
- Groups no bigger than 6
- As soon as you have collected your child you go straight home

I hope this has been helpful – do look out for tweets from us!

Yours sincerely,
