10 December 2020

Dear Parents/Carers;

This week we will be writing about 'The Polar Express'. We will be taking a very special journey in class as if we are on 'The Polar Express' then we will write about what happens. Why not practise writing about something you have done at home with your child.

In Maths we will be learning how to tell the time. We will be practising reading o'clock, half past and quarter past. Encouraging your child to read the time both on an analogue and digital clock will be a great help this week.

Friday 18<sup>th</sup> December is our last day finishing at 12.15pm.

This week we have class parties on Thursday and Friday but don't worry children only need to wear their best party clothes and to bring a smile we will do the rest.

## What's coming up?

INVESTOR IN PEOPLE

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please remember:

- ✓ Check ParentMail regularly as well as Twitter to stay updated with all key messages @TVInfants #HeadteachersUpdate
- ✓ All children should be in full school uniform
- ✓ No hooped earrings (we recommend no studs either)
- ✓ Yellow school book bags everyday
- ✓ At home time, we kindly ask that parents stand back and give the children and their teachers plenty of room to exit the building. Overcrowding in the playground can make it difficult for teachers to hand the children over to their parents safely at the end of the day.

Please, please, please...Even if you are running late to school, remember to come in through the 'entrance' gate and go out through the 'exit' gate.

**PLEASE REMEMBER**

- ✓ To wear a face covering at all times when you are either dropping your child off or collecting them from school
- ✓ To keep a safe distance from each other
- ✓ Please do not clump together in groups of more than 6
- ✓ Please do not linger around school after picking up your child.

**STOP

SPREAD**

Yours sincerely,

The Year 2 team

### Family Learning Together

It's getting colder and our days are shorter why not make a hot drink and play a board game with your child. Enjoy some family time together and don't forget to tweet a picture and tag us! ☺
