Bumble Bees

Dear Parents/Carers;

Every week on a Friday we will send out a letter telling you what's ahead for your child in Bumble Bees. Please continue to check the PARENTMAIL APP to stay up to date for news and information.

Reception

Phonics - children will learn new sounds j,v,w and x. Practise how we say these sounds and use crayons, pencils, paint or shaving foam to trace over.

Maths – Children match and recognise numbers this week.

Other activities – In your packs you will find some recipes for you and your child to make together, chocolate cakes and playdough. I've also included worksheets to recognise colour and words that rhyme.

Year 1 and 2

We will continue to teach live lessons everyday via Twitter, and here is what we will be learning about next week. Look out for your home learning packs and tune in EVERYDAY.

Writing – We will be starting a new story 'Goldilocks and the Three Bears'

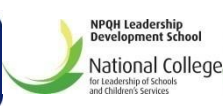

RSWS – We will be leaning about compound words and syllables

Maths – We will be learning about more/less, ordinal numbers and sorting numbers

Science – We will continue to learn about Materials.

History – We will compare materials used to make old and new toys

Geography – We will say what makes our school area safe

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.
