Dear Parents/Carers;

Nursery learning

This week we will be our new topic 'My Body'. I will be posting live twitter lessons daily where children will take part in a short whole-class teaching session, followed by a video where each day I will post an activity that you can try at home. Please also remember to check your ParentMail

We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please have a little look at the pink box below. I will be putting something new in it each week for you to do. Sometimes it will be about what parents can do, other times it will be for children to make something with you. Please read and enjoy the different activities and let me know how it goes. Remember to tweet pictures too!

Family Learning Together

On a clear night see what you can see in the night sky. Count the stars, talk about the shape of the moon, and see what else is there.

Don't forget to tweet a picture or a video and tag us too! ☺

We'd like to take this opportunity to thank you for your support and hope that you'll find this information helpful.

Yours sincerely,
