Dear Parents/Carers;

This week we will see you again every day on twitter. We will be retelling the story of Jack and the Beanstalk using sentence openers and adjectives in Writing.

For Maths we will be learning our number doubles and then using these to solve near double sums.

In Science continuing our topic of animals we will be learning about different body parts and what these are used for.

As well we will continue to learn about the Great Fire of London in History and in Geography we will be exploring the different types of transport on the island of Struay.

Remember to tune in to the lessons with your teacher

Our twitter accounts are:
