We're a PAPERLESS School – so you must download & register your ParentMail App to receive e-newsletters, to book after-school clubs & Parents' meetings or to confirm consent for educational visits.

Please watch all the Twitter video lessons if you are learning from home. If you can't watch them live, you can catch up with them later in the day. Here is a brief summary of the topics we will be covering in the coming weeks learning.

In writing this week we will be planning and writing our own Jim and the Beanstalk story, using all the top tips we learnt this week.

For Maths we will be exploring different numbers and what we know about them. This will include ordering numbers and sorting them too.

In Science continuing our topic of animals we will be learning about exercise and how this keeps us healthy and also keeping clean.

As well as this, in the afternoons, we will continue to learn about the Great Fire of London in History and in Geography we will be learning about jobs you might do on an island compared to the mainland. We will also be doing some ICT this week alongside our weekly PE lesson.

Remember to tune in to the lessons with your teacher everyday on twitter to help your children learn.

I hope you find this information useful, and we are all looking forward to seeing what you have done when you return to school.

Yours sincerely,

The Year 2 team
